## EMBROIDERY

### **STANDARD**

Standard embroidery is the classic option for customizing headwear and garments. Achieve cool effects like gradients or tight details.

### **PUFF**

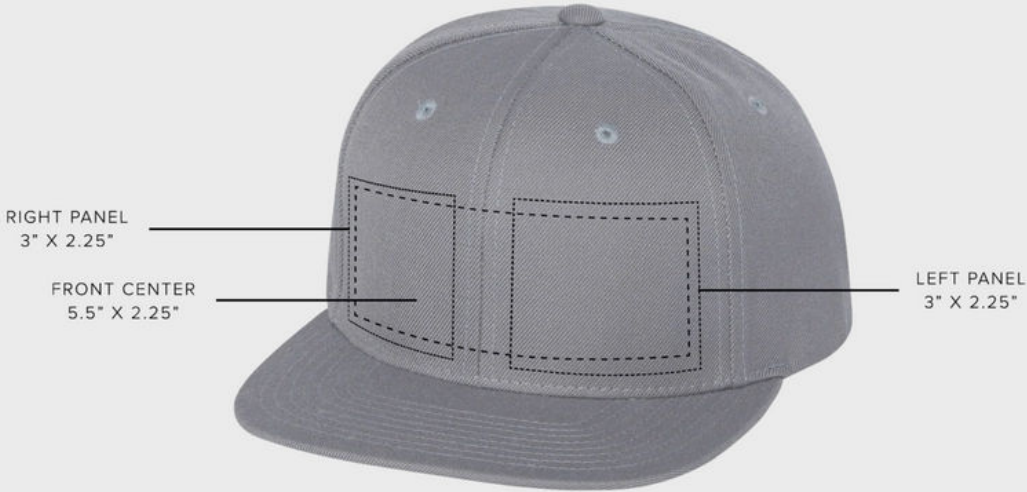

Puff embroidery adds more depth to your design by raising the embroidery off of the garment for a 3D effect. This results in a higher stitch count and dimensional, heavy hand feel.

# **DIGITIZING**

All artwork or logos must be “digitized”, which is the specialized process of converting two dimensional artwork into stitches or thread required for all embroidery.

1. You provide your logo or artwork.

2. The artwork or logo is digitized.

3. Once the order is placed we provide a complimentary high res image of a physical sew out.

4. Final product.
